APRIL: National Abuse Prevention Month

CYBER-BULLYING What is Cyber-bullying? Cyber-bullying is an online amplified version of bullying. Cyberbullying involves the use of information and communication technologies to engage in the unprovoked, intentional harm, or invoking of fear in the another individual. This behavior is repeated over a period of time. Cyber-bullying may be initiated by an individual or A group. Cyber-bullying has significant negative consequences for the target, the bully, and society. An individual can be targeted 24 hours a day 7 days a week ...at home...at school...anywhere and anytime they are online or using a cell. Warning Signs: Unexpectedly stops using the computer Changes in mood or behavior — especially after connecting online or via cell Avoids discussions about what they are doing on the computer withdrawn from friends and family Avoids school, parish, or other peer activities Changes in academic performance Signs of distress: depression, sleep problems, somatic complaints, thoughts of self-harm... What I Can Do: Be aware of cyberbullying warning signs Educate your children about the qualities of right relationships, signs of risk, and what to do if they are being bullied online. Model appropriate use of technology. Monitor your child's behavior set clear expectations for your child's behavior toward others talk about what to do when others are bullying or being bullied online.

Church Projects

There are some projects that need to be done in our parish during this year.

1. **Church furnace needs to be changed**
2. **Rectory furnace needs to be checked**
3. **Renovation of Church doors**
4. **Church books need repair**
5. **Tag sale with Picnic – we need to choose a date and start working on that**

The first project that we are going to start working on is **changing the furnace in the Church**, because it needs to be replaced by winter. Donations for this project are welcomed.
